

WHAT IS VAE ?

The Validation of Acquired Experience is a recognition of the skills acquired during a professional career by the validation of one (or several) block(s) of skills.

Procedure :

❖ **Reception - Information - Advice – Orientation**

- Reminder of the opportunities and limits of the VAE
- Submission of an application file (VAE File n°1 - Admissibility)

❖ **Analysis of the candidate's project**

- Interview with the candidate, study of his/her CV, cover letter and application file
- Acceptance or orientation of the candidate
- Submission of the VAE file n° 2 (Evidence file)

❖ **Analysis of the experience and identification of acquired skills**

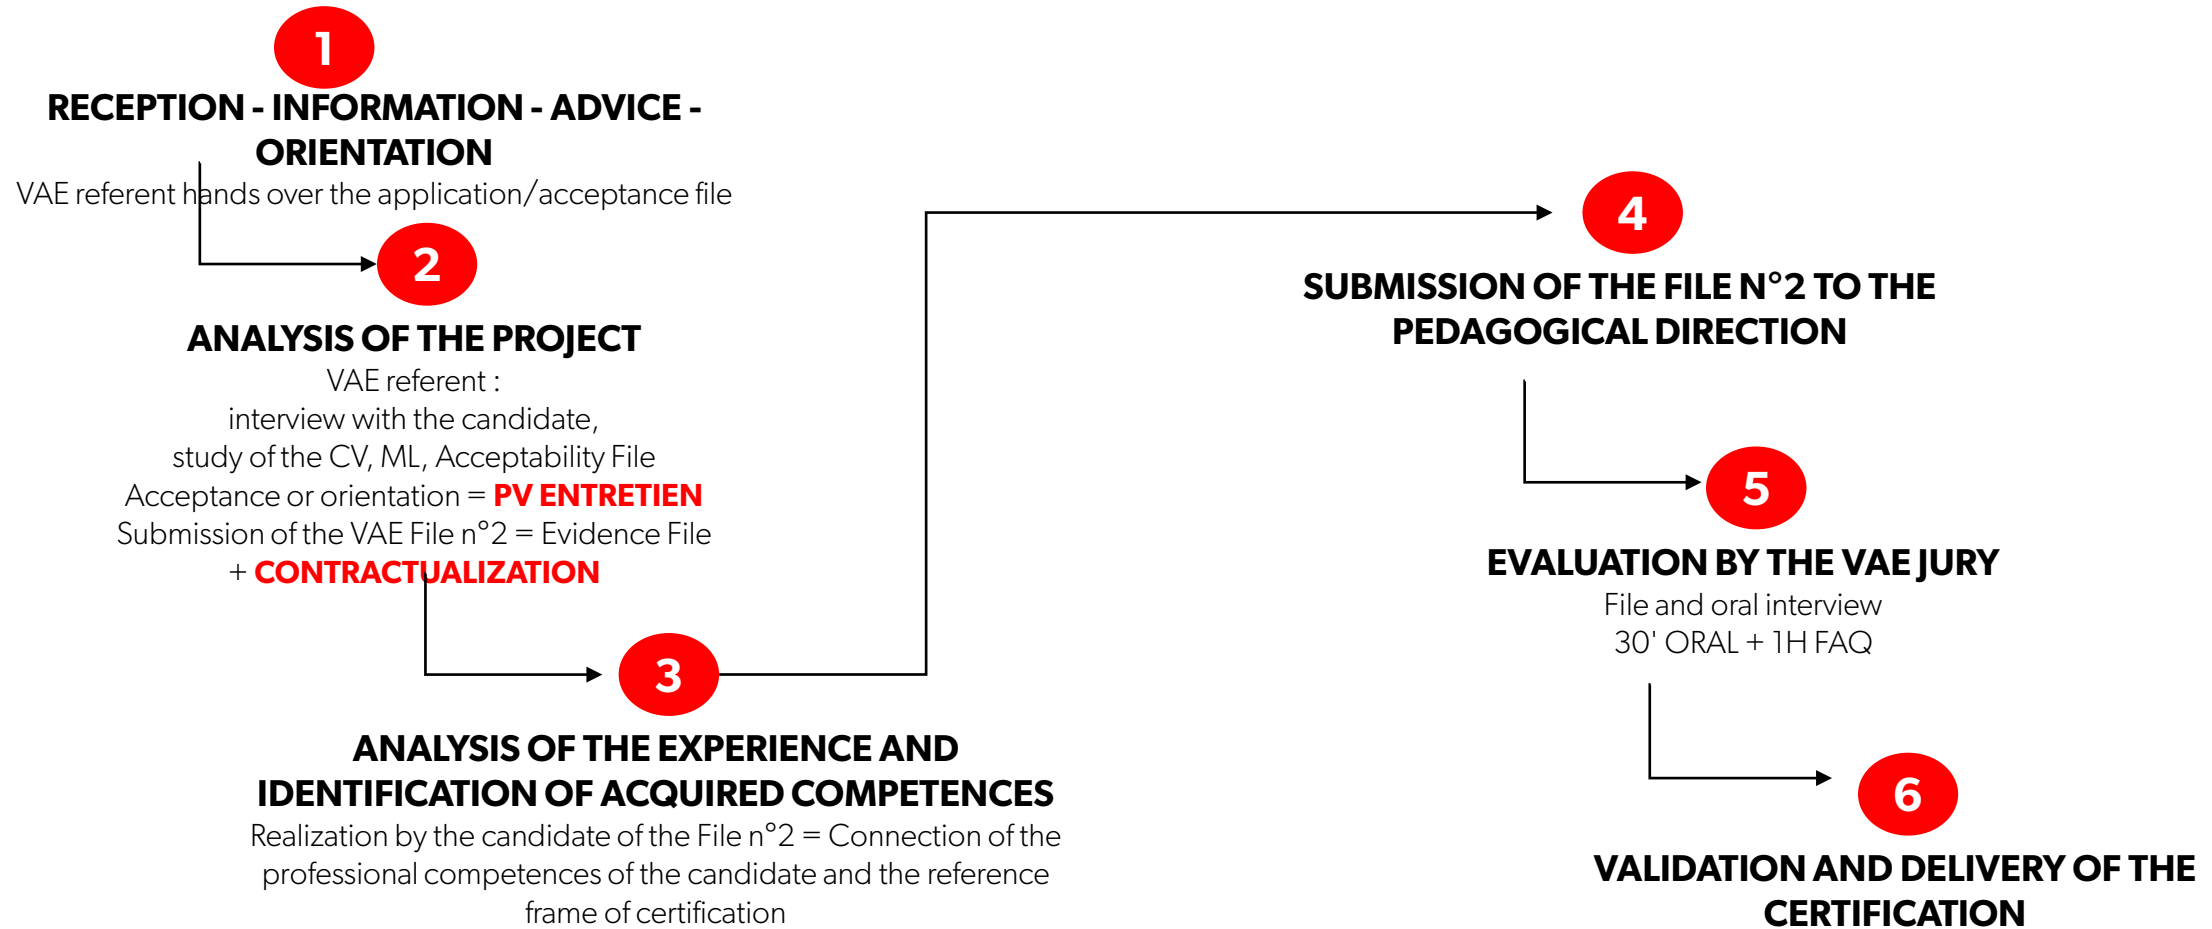

- Personalized accompaniment of 20 hours
- Comparison of the candidate's professional skills - acquired through salaried, non-salaried or volunteer activities - with the certification reference framework
- Completion by the candidate of the VAE File n° 2 and consideration by the jury of the professional situations

❖ **Submission of the professional memorandum to the academic management**

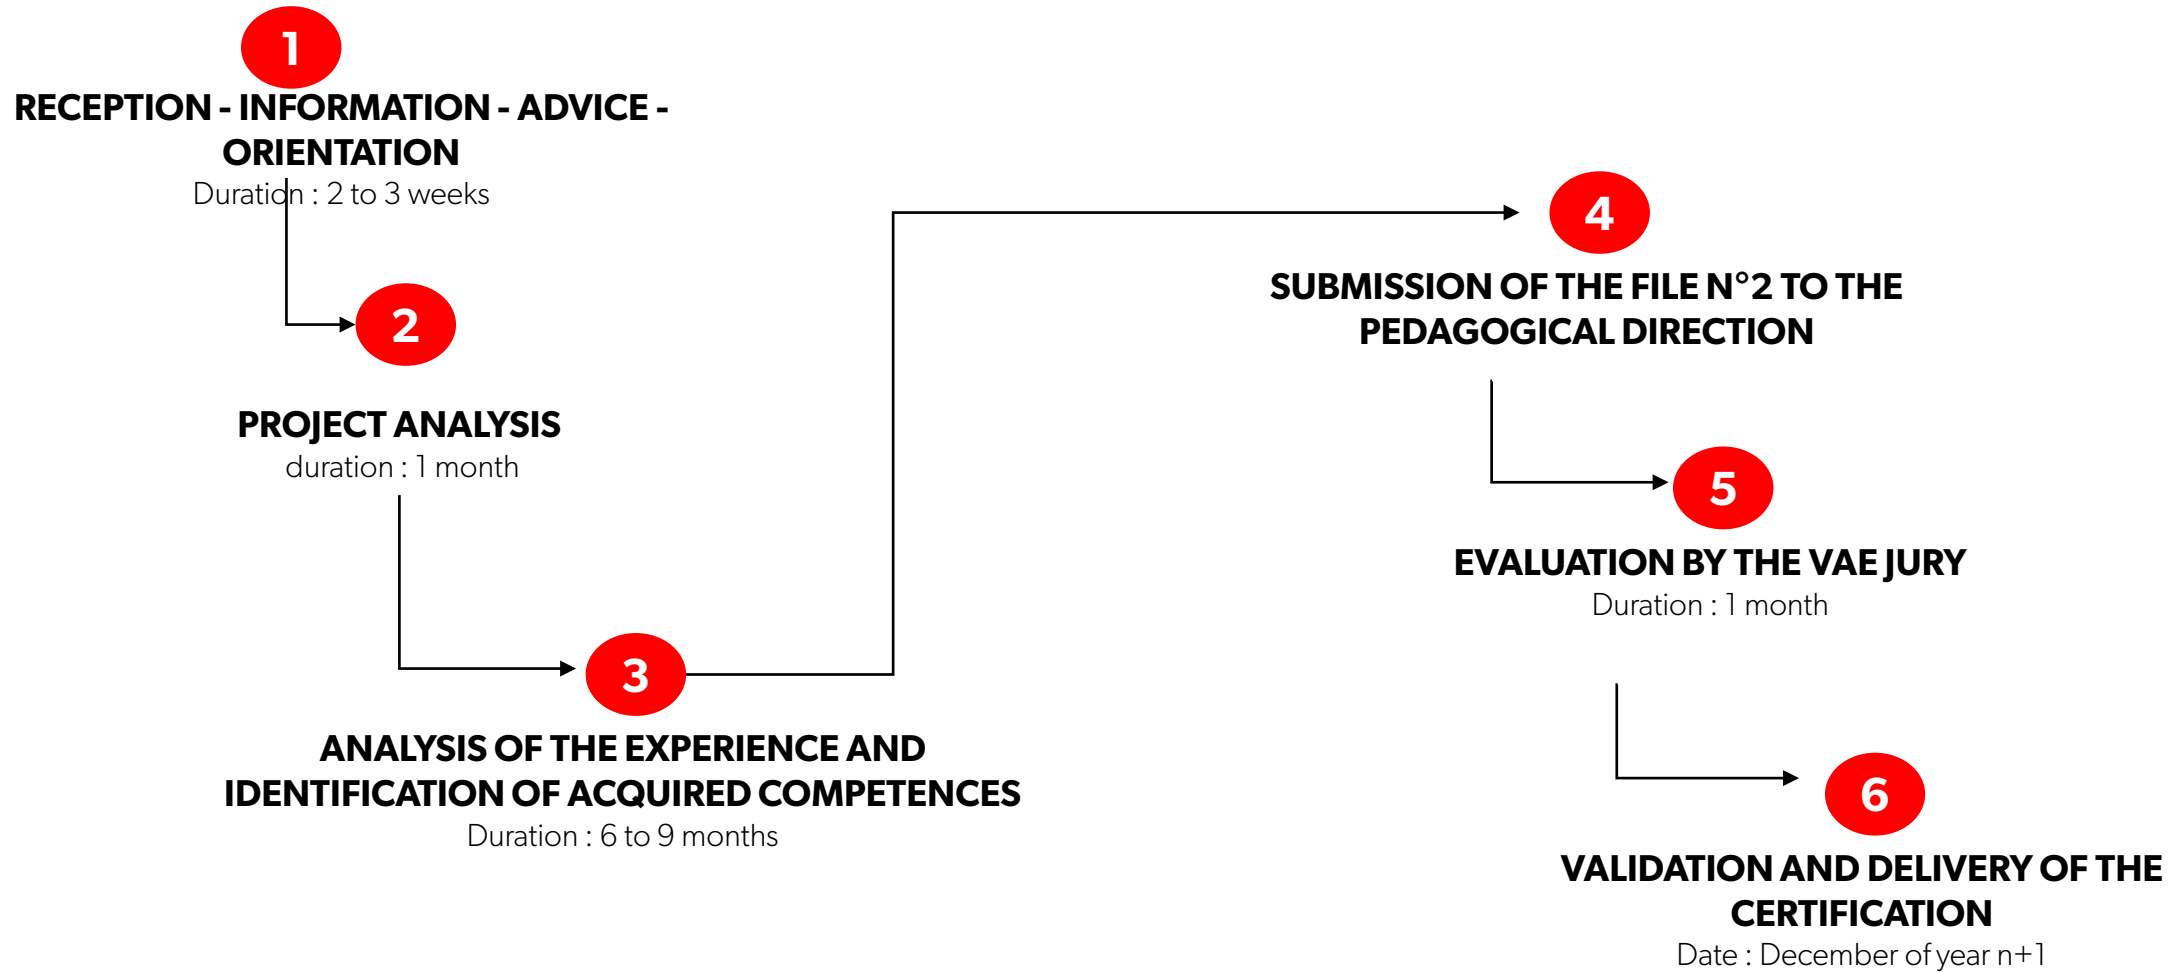

❖ **Evaluation by the VAE Jury (File and oral interview)**

❖ **Total validation and delivery of the certification or partial validation**
